Explanation of Medicare Benefits for Chiropractic Care:

Medicare does offer LIMITED coverage in the state of Florida.
Limits that may apply to your visits to this office are as follows:

Medicare will not cover the cost of any **examinations.**

Medicare will not cover any **x-rays** performed by chiropractors.

Medicare will not cover any **therapies** performed by a chiropractor.

Medicare covers 80% of the **spinal manipulation** fees.

Medicare will cover the cost of some **laboratory blood draws** as set out by their guidelines

Medicare requires that we collect your yearly \$120 deductible if it has not already been met.

Any balance due for services not covered by Medicare are expected at the time of service.

If you have any questions concerning your fees, please speak to the front office personnel.

I authorize any holder of medical or other information about me to release to the Social Security Administration and Health Care Financing Administration or its intermediaries or carriers any information needed for this or related Medicare claim. I permit a copy of this authorization to be used in place of the original, and request payments of medical insurance benefits to either myself or the party who accepts assignment.
